

Ecole doctorale Sciences Chimiques

ED 222 – Université de Strasbourg

Après-midi thématique / Thematic Afternoon

Molecular recognition

Vendredi 25 Novembre 2022 de 15 h 00 à 18 h 00

Amphi A3, Institut Le Bel (Esplanade)

15h00 - *Nanoparticle-cell Interactions and Approaches to (Intra)Cellular Imaging*- Dr. Andreas REISCH,
Laboratoire de Bioimagerie et Pathologies, UMR 7021, Strasbourg

15h50 - *On the use of molecular dynamics simulations to study the molecular recognition of macrocyclic hosts*-
Dr. Alain CHAUMONT, Laboratoire de modélisation et simulations moléculaires, UMR 7140, Strasbourg

16h40 - *Anion recognition and binding via anion- π interactions*- Pr. R. PODGAJNY, Inorganic Molecular Materials
Group, Jagiellonian University in Krakow, Poland
